Our Mission Statement

As Catholic Cemeteries we are committed to providing cemeteries for the sacred religious function of burials and to preserving these resting places as a symbol of our Catholic Faith.

When a member of our family, or community dies, it touches all of us, and it is our common desire that our deceased loved ones final resting place will be on sacred grounds. Nature reminds us that all living things die, even as Spring will remind us of the promise of new life. So too does the Church's liturgical cycle teach us the wondrous ways in which grace transforms human life. We pray for our Dead who are being prepared for the bright vision of God's glory and rejoice in the saints who already stand with the angels in the radiance of the One who is "Light from Light". May our loved ones already be standing with the angels in heaven.

With the addition of our new columbarium, Sacred Heart of Jesus Cemetery (Marmora) now provides various options for your final resting place. A columbarium niche allows two inurnments. Niche pricing will be a total cost, which includes the purchase price plus the initial shutter engraving and opening and closing costs. Below you is our current price list effective January 1, 2025.
